OUR MISSION

Our Mission is to care for you as we would care for members of our own family by providing information, services and merchandise of the highest quality at competitive prices in a dignified and professional manner. We will listen to your wishes and desires and always value your trust. We pledge to maintain the reputation our family owned and operated firm has earned by acting with honesty, integrity and sensitivity. It is our policy to go the extra mile in offering the best in personal care before, during and after death occurs.

OUR COMMITMENT TO YOU

Weed-Corley-Fish and Wilke-Clay-Fish Funeral Homes provide a wide range of goods and services to meet each family's values, traditions and tastes. *Because our firms are owned and operated locally by the Fish Family, we are better able to respond to each family's needs and preferences.* We consider it a privilege to serve you.

Among the services we offer are church and chapel services or graveside services with interment in a local or out of town cemetery.

In addition we provide many options for those who choose cremation. You may choose a viewing, visitation and traditional services followed by cremation; cremation with a memorial gathering held in our chapel or a facility of your choosing, also you may have a private viewing followed by cremation.

You may choose our services on an itemized basis, or choose one of the many package offerings we have available. The package selections are priced to add value to the funeral service and provide savings if the package is selected versus itemizing all the costs. We will be glad to explain these options in detail.

Before And After The Funeral

We provide assistance with pre-planning services for the future. You may either prepay the services you desire at today's cost, or simply place your wishes on file with us. We offer aftercare services with a wide variety of support group information, books, videos and other material. We have a large selection of monuments and grave markers available for your selection.

Receptions

Our south location, Wilke-Clay-Fish Funeral Home has a reception area for your convenience. We can help you with your menu selections, or you may bring in your own items. Menu selections are available upon request.

Memorial Service and Gatherings

We can help you with memorial services or gatherings that are away from our facilities. Many times the family has a number of other things to cope with. There are phone calls to make and friends and out of town guests visiting. Among the many things we can do are, delivering and setting up flowers at the service, floral delivery to the residence, assisting the guests with signing the register book and seating, displaying photos and special memory items on our easels, coordinating service plans with the clergy or officiant and coordinating music details with the musicians. These details sometimes add an extra burden on the family during this difficult time. We hope we can be of assistance to you in this area.
